## **IS Summer School 2017/2018 Student Contract**

- Summer School 2017/2018 will have an Independent Study format. All work will be on Odysseyware (OW). The teachers will be available to help students through the help button and email. You should expect that there will be a 24 hour turnaround time to answer questions.
- All work, except for the tests, will be completed online at home. Mrs. Gruber has scheduled regular dates for taking tests (see back page and OW for test dates). This will be done at Phoenix High School in Room 4. Depending on the need, other test dates may be scheduled through OW Messaging.
- You do not need to sign up for the test. Testing time is between 8am and 12pm. Please give yourself enough time to finish the test by 12pm.
- Each course has its own syllabus and course content. A copy is located on the Phoenix website <http://phs.wpusd.k12.ca.us/>. Please refer to the syllabus for specific questions about a course, what work is required and how it is graded.
- NOTE: Do not expect Mrs. Nelson or Mrs. Gruber to remind you to get work completed. Credit completion/recovery is ALL UP TO THE STUDENT!!!
